

Early Journal Content on JSTOR, Free to Anyone in the World

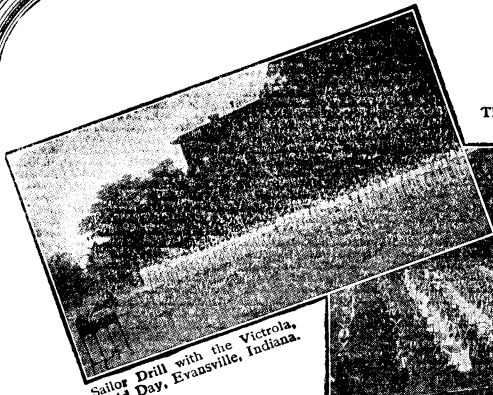

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

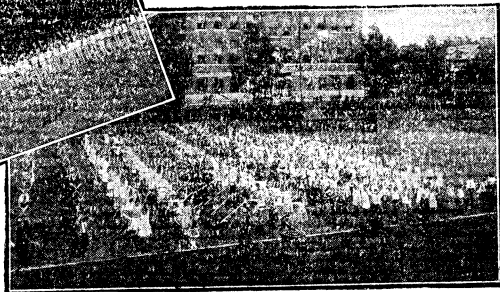

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Sailor Drill with the Victrola,
Field Day, Evansville, Indiana.

The Victrola in Open Air Calisthenics,
Benton School, Kansas City, Mo.

The Efficiency of a Nation

requires that its citizens must be physically fit.

In the Golden Age of Greece, the city of Athens was supplied with ample playgrounds and gymnasia for the training of its youth.

The schools are the laboratories for future citizenship. Every American boy and girl is entitled to a correct and carefully supervised bodily development as a part of his school course.

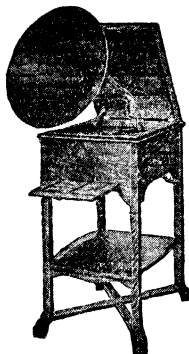

The Victrola and Victor Records

furnish music which makes Physical Education more attractive, and which makes pupils more responsive in rhythmic feeling.

Have you tried these selections in your school?

An announcement of especial interest to members of the
teaching profession who use Shakespeare as a text

The Yale Shakespeare

*Edited under the Direction of Members of the Department
of English, Yale University*

THIS edition, to be complete in forty volumes, is edited under the general supervision of a committee consisting of Wilbur Lucius Cross, Dean of the Graduate School, and Professors Tucker Brooke and Willard Higley Durham. The text, which is substantially that of Craig's Oxford Shakespeare, is given first place and all other matter, such as the history of the play and its sources, appears in appendices following the notes. This is perhaps the most distinctive feature of the edition.

All rare or obsolete words and all words used by Shakespeare in a sense not now current are defined in each volume at the foot of the page on which they first occur. For more detailed information, the reader is referred to the fuller notes at the end of the volume.

Every effort has been made to give these volumes an attractive format, not suggestive of the conventional text-book.

The following volumes have so far been issued:

MUCH ADO ABOUT NOTHING. Edited by Tucker Brooke.

HENRY IV, Part I. Edited by Samuel B. Hemingway.

HAMLET. Edited by Jack Randall Crawford.

KING LEAR. Edited by William Lyon Phelps.

OTHELLO. Edited by Lawrence Mason.

THE WINTER'S TALE. Edited by Frederick E. Pierce.

In preparation:

MACBETH. Edited by Charlton M. Lewis.

THE TEMPEST. Edited by Chauncey Brewster Tinker.

A MIDSUMMER-NIGHT'S DREAM. Edited by John C. Adams.

HENRY V. Edited by Robert D. French.

*College Text-Book Edition. 16mo. Cloth, with paper label. 50 cents net per volume
(Interleaved copies of the College Text-Book Edition will be supplied to teachers at 75 cents
each. Special rates for quantities will be quoted on application)*

Library Edition. 8vo. Cloth, with gold stamping. \$1.00 net per volume

DRAMATIZE SOME OF THE GREAT BIBLE STORIES.

A book which presents cogent reasons for leading children to dramatize great religious stories—develops the process of creating drama from biblical stories—shows stories in all stages of development by children engaged in their dramatization—suggests simple and practical directions for staging—is

The Dramatization of Bible Stories

By ELIZABETH E. MILLER

Instructor in Art in the School of Education, the University of Chicago

This book gives the methods and results of an experiment that has been carried on by the author for several years, in adapting striking biblical stories for dramatic presentation by children. The book is educationally sound in that its purpose is to *train* the children in the *process* of dramatization, rather than to produce elaborate and finished dramatic effects.

An invaluable book for the home, the day school, and the Sunday school

Illustrated. xiv + 162 pages, 16mo, cloth; \$1.00, postage extra (weight 1 lb.)

STUDIES IN LITERATURE

*A manual of English Literature
brief, inspiring, and interesting*

A HISTORY OF ENGLISH LITERATURE

By **ROBERT HUNTINGTON FLETCHER, Ph.D.**

Professor of English Literature, Grinnell College

Cloth, 12mo, \$1.25 net

Professor Fletcher's *History of English Literature* lives up to all the requirements of a good textbook on the subject. It contains excellent historical backgrounds, interesting biographies of the authors, and admirable criticisms of their works. Most remarkable of all is that it combines these three elements in an extremely readable manner.

WHAT EDUCATORS SAY ABOUT THE BOOK

"I wish to express my satisfaction with Fletcher's *History of English Literature*. It is the best work of its sort I have ever examined and I shall use and recommend it."

ALLAN H. GILBERT, *Cornell University*

"Your *History of English Literature* by Robert H. Fletcher is admirably complete and readable. It should by all means be considered by those instructors and teachers who need a book that covers the whole period in a well-balanced and scholarly way, but without loss of human interest."

A. C. F. BEEBEWROTZ, *Prof. of Eng., Syracuse University*

"The *History of English Literature* is a work of very high merit; this is to be expected from a scholar of Fletcher's ability."

PRESIDENT H. N. MACCRACKEN, *Vassar College*

RICHARD G. BADGER - PUBLISHER - BOSTON

STUDIES IN LITERATURE

*A volume of intimate, lifelike studies of all the
important writers of essays from
Montaigne to Stevenson*

ENGLISH ESSAYISTS

By WILLIAM HAWLEY DAVIS, A. M.

Professor of English at Bowdoin College

Cloth, 12mo, \$1.25 net

English Essayists cannot fail to delight any lover of essays, for the author not only gives remarkably vivid and appreciative sketches of the writers of whom he writes, but he also proves himself to be an essayist of the first rank.

The book is an ideal textbook because it is bound to inspire the interest of every student into whose hands it comes.

What Educators Say About the Book

"I enjoyed Davis's *English Essayists* to the 'nth power.' It is a superlatively well written book and my plan is to use it next year. This work is my own special field and I cannot speak of the book too enthusiastically."

LEWIS H. CHRISMAN

"A work so stimulating and so suggestive as Professor Davis's *English Essayists* is a most companionable work. It unites two qualities with rare felicity,—the peculiar atmosphere and flavor of the essays cited and the essential, well-ordered facts necessary for a good manual."

MARY COWELL HAM

PROFESSOR ROCHE, of St. John's College of Massachusetts, writes:

"Your system is, in my judgment, the best illumination that has yet appeared of the College Entrance Requirements in English. My students are very enthusiastic about your work. The results I am achieving with ordinary students in college preparatory English surpass the best results I achieved in the past with very clever students in New York and elsewhere whom I have prepared for Harvard, Yale, Princeton, and Columbia. I am therefore very grateful to you for the assistance the *Outlines* have rendered me."

Economy in Teaching Spelling

**Save time and effort
and—get results**

Do you know:

- 1 That the high-school graduate misspells more than 1 word of every 100 he writes?
- 2 That 500 words cause 80 per cent of these misspellings?
- 3 That there are specific causes for much of this misspelling?
- 4 That by removing these causes you can enormously reduce high-school misspelling at the cost of 5 hours of class time?

LESTER'S SPELLING REVIEW

is based on fact and classroom experience.
"Invaluable because founded on fact, and stripped of nonessentials."

CANBY AND OPDYCKE'S GOOD ENGLISH

"Who sets out to write Narrative or Exposition at the age of fifteen, unless commanded? It is stories we write, or letters, or essays on this or that. And in such a fashion is this book arranged. Letters come first in each chapter, because it is usually in the writing of a letter that the need for good expression is first brought home to the youth. He feels his deficiencies more sharply then; sees most clearly what full expression may demand of him. Indeed, it is one task to teach sentence structure or paragraph development for its own sake; it is another, and far easier one, to teach them to pupils who have wrestled with business letters or explanations, and failed in clearness because these useful tools of composition were not adequately controlled."

—Quoted from the Preface

Long's American Patriotic Prose

A collection of the most informing and most inspiring utterances of pioneers, patriots, statesmen, historians, and leaders in America's thought and progress. The selections are grouped under the following heads:

The Streams of American Life	Struggle and Growth
The Colonies	Division and Reunion
Independence Developed	Gallant Youth
The Declaration	Responsibility
Washington	Opportunity

The book should find a place in every course in English because of the intrinsic worth of its content, and because of the exceptional service it renders in cultivating intelligent patriotism and loyalty to American ideals.
